

**Transform Your Car Wash
Experience with Cutting-
Edge Technology**

Seamless Booking, Efficient Service,
Total Control—All in One App

Admin Dashboard

The Admin Dashboard offers complete control over car wash business operations with detailed analytics, booking management, and user administration.

Dashboard Oversight :

- **Key Metrics:** Monitor KPIs such as daily bookings and revenue.
- **Live Updates:** Receive updates on current operations.
- **Business Insights:** Generate detailed reports and analytics for informed decision-making.

Manage Bookings :

- **Booking Management:** View, filter, modify, or reassign bookings as needed.

Manage Subscription :

- **Subscription Overview:** Access details of all active subscriptions.
- **Plan Management:** Create, modify, or cancel subscription plans to meet business or customer needs.

Manage Users :

- **User Database:** Maintain a comprehensive list of customers and technicians.
- **Account Management:** Add, edit, or deactivate user accounts.
- **Role-Based Access:** Implement access control for different administrative levels.

Technician App

The Technician App is designed to streamline workflow and empower car wash professionals. Technicians can efficiently manage daily tasks and ensure timely service delivery.

Manage Assigned Bookings :

- **Booking Details:** Access customer information, service type, and location for each assignment.
- **Real-Time Updates:** Track booking status from "in progress" to "complete."
- **Seamless Communication:** Add notes or report issues for effective communication.

Current-Day Orders :

- **Prioritized List:** View a list of daily bookings to maximize efficiency.
- **Real-Time Changes:** Receive updates for new or modified assignments.
- **Navigation Assistance:** Utilize built-in navigation for timely arrivals.

Past Orders :

- Review details of completed bookings for reference or follow-up. Future Orders

Future Orders :

- Stay organized by previewing upcoming assignments and preparing for specific service requirements.

Customer App

The Car Wash Customer App provides a refined, user-friendly interface for effortless booking and service management. Optimize your car wash booking with ease.

One-Time Booking :

- **Service Options:** Choose from various car wash services tailored to your vehicle.
- **Flexible Scheduling:** Easily select your preferred date and time for a single car wash.
- **Secure Payment:** Complete your booking through our integrated payment gateway.

Monthly Subscription :

- **Flexible Plans:** Subscribe to monthly car wash plans that fit your needs and budget.
- **Automatic Scheduling:** Enjoy the convenience of automatic scheduling for recurring appointments.

Manage Booking :

- **Comprehensive Access :** View, modify, or cancel upcoming and past bookings at your convenience.
- **Timely Notifications :** Receive reminders to keep your schedule on track.
